

Gripple®

APPLICATIONS > Agriculture | Rail | Highways

Product description

- > A comprehensive range of wire joining products for use in fencing.
- > Gripple® can reduce the time taken to install and maintain fencing. High performance ceramic roller enables a secure grip on all types of wire.
- > Various sizes and pack quantities to offer the best solution for your fencing.

- > We also stock tool deals which include the torq tensioning tool along with medium gripples. This has an adjustable tension gauge which helps to ensure consistent tension every time.
